neceed McClellan.

The following letter appears in the French pa-set, Le Beca Public, which guarantees the reectability of the writer, and the author the facts. The letter is dated the 19th of Peb-

You are aware of the active and zealous part hich Prince Louis Napoleon Bonaparte (now apoleon III) took in the revolt of the Romagin against Pope Gregory XVI, in the years 831-32. He also forced his older brother to join ie ranks of the revolted Romaguese; and, when the fatigues of the campaign brought this brother to an early grave at Florli, the younger succeded to the pretended rights of schutus consultus of

After the defeat of the insurgents, Louis Boaparts became a fugitive in the Papal States, nd, being unable to enter either Tuscany or the kingdom of Naples, he took refuge in the palac of a worthy bishop, and requested shelter, after declaring who he was. The archbishop of Spoto, the name of his protector, received the procribed man, who appeared very repentant, and, ther several days of hospitality, the prelate went to Rome to implore a free pass for the guily man then under the Episcopul roof. Gregory fused; a contest ensued between the entreaties of the archbishop and the reluctance of the sovereign pontiff.

At length the tears of the prelate gained the rickery and the passport was granted The relate was afterwards Archbishop of Imola, nd now Pope Pius IX. After thus leaving taly, through the generous aid of a Pontiff whor enter France, they secretly came to Paris. the Hotel de Hollande. Louis Philippe was on he throne, and the time was the end of the winter, 1832, and Casimir Perier was Prime
